

Pesticide New Applicator Training

Join OSUE in a “Crash Course” to help one obtain a Private Pesticide License!

Have you ever spent the time to become a certified private pesticide applicator? Are you currently spraying under another person’s license and probably should obtain your own license?

This is a “crash course” of how and what to study in preparation for CORE and Category 1 (grain/cereal crops) private pesticide applicator testing. Additional personal preparation and study time is suggested.

Study materials should be purchased prior to this date or upon registering via OSU Extension Paulding County.

PRE-REGISTRATION COST: \$20 BY JANUARY 31, 2017 (REGISTERED AND PAID)

COST AFTER 1/31/2017 OR AT THE DOOR \$35
